

CELL PHONES FOR SOLDIERS AND THE TOWN OF MARLBOROUGH KICK OFF CELL
PHONE COLLECTION DRIVE

Cell Phones for Soldiers and The Town of Marlborough are calling on the community to support the soldiers overseas by donating your unused cell phones to help keep troops connected with their families.

Besides supporting our troops, recycling these devices this way protects our environment by keeping the toxic metals they contain out of our landfills.

Cell Phones for Soldiers was created by Brittany & Robbie Bergquist of Norwell MA. After reading a story about a soldier who ran up a huge phone bill calling home from Iraq, these two teenagers decided to help out. They started by opening an account with \$21.00 of their own money. They are collecting cash donations and old cell phones. The cell phones are recycled for cash and the proceeds are used to buy prepaid calling cards for our soldiers serving in the Middle East.

Cell Phones For Soldiers is a registered 501(c)(3) non-profit organization. Their efforts have motivated people and businesses around the country to donate to this worthy cause. Their goal is to provide every US soldier with a way to call home for free. For more information, please visit www.cellphonesforsoldiers.com
