

Fire Commissioners Meeting

Call to order

8/22/2016 at 18:00 Hrs. Fire station #2, 200 West Rd Marlborough CT.

Attendance

Fire Commissioner Chairman, Michael Schadtler, Fire Commissioner Ray Weber, Fire commissioner Doug Thibodeau

Additional Attendees, Fire Chief Kevin Asklar, Fire Marshal Joe Asklar

Minutes from the last Meeting,

The June meeting minutes have been approved by majority vote

Old Business:

FIREHOUSE Software upgrade, software has been installed and in use

The transition over to the TN dispatch center,

Transfer is complete and has been working out very good

Dry Hydrant. Discussion on forming a committee to review condition and the addition of dry hydrants in town

Fire marshal report form

Fire marshal Joe Asklar presented a new form and requested that it be produce in triplicate when form is completed.

Fire House 2 repairs

Side walk has been replaced now waiting for landscaping

New members

An application was received from a person who was a trained Cromwell firefighter is still pending.

Fire Apparatus

A temporary repair has been made on the multi-function turn signal lever on engine 217 waiting for factory to ship new lever

The 5" hose that failed the hose test has been replaced.

Training and Drills

A mutual aid drill with Glastonbury Fire on vehicle extrication went well, there will be a mass casualty drill with East Hampton this month

Budget Bills

Covered encumbered money in accounts, went over submitted bills.

New Business:

Property easement

Discussion took place on the easement adjacent to the Middlesex Hospital Clinic this easement is owned by Dr. Tuttle. Joe Asklar says it would be difficult to meet with Dr. Tuttle on the purchase or donation of this property. It was suggested that a meeting in October should allow for enough time for Dr. Tuttle to make room in his schedule It was also suggested that we meet at the town. Joe Asklar says he would arrange for this meeting

New equipment

The Roy B. Pettengill Ambulance assassination has purchased rescue jacks for the Fire Department

Insurance

Supplemental insurance is being looked in to for the fire Co. by Chief Asklar to "fill the gap" with the town provided insurance.

Fire Marshal

A water flow test will be conducted to assure adequate water flow for the newly install LP gas tanks at CPP co.

Meeting Adjourned

19:30 hrs.

Respectfully submitted

Michael Schadtler

Fire Commissioner (chairman)
