### Marlborough – A Desirable Place to Live and Work

Our town is home to 6410 residents who enjoy a variety of neighborhood settings, ranging from newly built developments to established streets lined with trees and stone walls to lovely, winding roads that give the town a touch of rural charm.Â Travel the streets of our town, and you'll understand why our residents have settled here: not far from Hartford and several other larger cites, you retreat into a haven that cares about the needs of its residents, provides access to shopping and recreational activities, and celebrates a number of faith communities.Â Marlborough also hosts a variety of businesses, many of which are members of the [Marlborou gh Business Association](#)

Â Whether you live in Marlborough or you work here, you know that you've settled in an established, scenically beautiful and progressive town that truly cares about both its residents and its business owners.Â

### Marlborough – A Community that Cares

The types of services that are available in our town say a great deal about what we value. First and foremost, Marlborough values its residents, from its youngest to its oldest, and is fully committed to meeting their needs.Â Some particular sources of pride for Marlborough are the [Elmer Thines-Mary Hall Elementary School](#)

the Senior Center, Marlborough Health Care and Rehabilitation, and Middlesex Emergency Care. Also, our residents have access to the premier services of [Andover, Hebron and Marlborough Youth Services](#)

(AHM), an organization that focuses on the well-being of youth and families. We are also home to a local Food Bank created to help those residents in need. Many of the services mentioned are supported by volunteers, who behind the scenes bring the values of our community to life.Â We are also home to a stellar volunteer
