

We're nearing the final stage of going live with the Town of Marlborough's new website, and we'd love to include some of your photos! We're looking for the best of your photos of Marlborough's faces, places, people, buildings, equipment, organizations and events. Right now we're seeking summer and autumn pictures and soon we'll be looking for (gasp) winterscapes! (Horizontal photos are preferred.)

To submit your shots, please send them to [firstselectman@marlboroughct.net](mailto:firstselectman@marlboroughct.net) along with your permission to use the shot. Please note that we can't attribute any photos to a particular photographer, as much as we appreciate your artistry.
