PREAMBLE

Section 1.1

This Agreement is made and entered into between the Town of Marlborough, hereinafter referred to as the "Town" and Local 818 of Council 4, AFSCME, AFL-CIO, hereinafter referred to as the "Union."

ARTICLE 2
RECOGNITION

Section 2.1

The Town hereby recognizes the Union as the sole and exclusive representative for collective bargaining with respect to wages, hours, and other conditions of employment for all employees in the bargaining unit, working twenty-five (25) hours or more, in the following job classifications:

Assessor
Public Works Supervisor*
Facilities and Grounds Foreman
Highway and Fleet Foreman
Director of Parks & Recreation
Social Services Director
Finance Director

*At the discretion of the Town, the Facilities and Grounds Foreman and Highway and Fleet Foreman positions may be combined. Under such circumstances, the combined position shall be referred to as the Public Works Supervisor.

ARTICLE 3
NON-DISCRIMINATION

Section 3.1

The Town and the Union agree not to discriminate against or harass any individual with respect to hiring, termination, compensation, or other terms or conditions of employment because of such individuals' race, color, religion, sex, national origin, veteran status, physical or mental disability, marital status, age or sexual orientation, nor will they limit, segregate or classify employees in any way to deprive any individual employee of employment opportunities because of such individuals' race, color, religion, sex, national origin, veteran status, physical or mental disability, marital status, age or sexual orientation in accordance with applicable federal and/or State laws. Nothing herein shall prevent the Town from considering any of the foregoing characteristics if such characteristic constitutes a bona fide occupational qualification. Any alleged violation of this Article shall not be subject to the grievance procedure.

ARTICLE 4
UNION SECURITY AND CHECK OFF

Section 4.1

Upon receipt of a voluntarily signed authorization form from the employee involved, the Town agrees to deduct from the employee's pay each pay period, such dues as determined by the Union.

Section 4.2

Upon receipt of individual written authorization from an employee, the Town agrees to deduct an amount equal to Union membership dues by means of payroll deductions.

The monthly remittance of dues shall be remitted to the financial officer of the Union accompanied by a list of names of employees from whose wages dues deductions have been made.

Section 4.3

The Union agrees to indemnify and hold the Town and its agents harmless from any claims, demands, suits or judgments, including attorney's fees, which may arise because of the implementation of this Article.

ARTICLE 5
UNION RIGHTS

Section 5.1

The Town shall provide space for a Union bulletin board for the posting of official notices pertaining to Union business. The Union shall be responsible for seeing that posted matters involve only Union affairs, are business like, and contain no material disparaging the Town or any official or employee of any Town or citizens served by the Town.

Section 5.2

The Town recognizes the right of the Union to elect a President and an Alternate. The Union agrees to inform the Town immediately of any changes in the President or Alternate.

The President shall serve as the representative of the Union on the job. The President may attend to limited Union activities such as adjusting grievances during work hours as reasonably necessary, as long as his absence from the job for such periods of time does not unreasonably interfere with the business of the Town and are performed as infrequently as possible.

The President will have the authority to resolve day-to-day issues with the Town, consistent with the Agreement.

The alternate may engage in the above activities only when the President is unavailable. The President shall have top ranking seniority within his or her job classification, for the purpose of layoff only (during the term of the employee's office) irrespective of actual length of service.

The President shall notify his/her supervisor a minimum of forty-eight (48) hours in advance of such activities and the time frame for completing them, and his/her failure to provide such forty-eight (48) hours' notice shall be grounds for disciplinary action, except where justified by extraordinary circumstances. When forty-eight (48) hours' notice is not possible due to the urgency of the issue in question, the President will provide as much notice as possible.

Section 5.3

Employees may request time off for Union activities (such as organizing and attending Union workshops) with seventy-two (72) hours' minimum prior notice whenever reasonably possible. Such time off shall be permitted by the Town if the time off does not unreasonably interfere with the business needs of the Town. An aggregate maximum of five (5) days may be taken off by all bargaining unit employees combined in any given year pursuant to this Section. If the Union is not paying the employee's wages for the day and the employee wishes to be paid for time off pursuant to this section, such time off may be taken only if the employee has remaining accrued but unused vacation or personal or compensatory time from which the time off shall be deducted. The Town may require written verification for time off for Union activities pursuant to this section.

Section 5.4

The Union may hold meetings with bargaining unit members in an appropriate Town facility whenever necessary, providing such meetings occur before or after the participating employees' scheduled working hours, or during participating employees' break time, and do not otherwise interfere with the Town's business. The Union shall give the First Selectman's office reasonable notice of such meetings.

Section 5.5

In order to provide a means for facilitating communications between the parties and for promoting a climate of constructive labor-management relations, a labor-management committee shall be established which shall consist of the First Selectman, or his/her designee, and one (1) employee designated by the bargaining unit.

A meeting will be held as mutually agreed to by the parties at a time and place to be determined by the committee.

The designated bargaining unit representative shall be compensated for attendance at committee meetings at his or her regular hourly rate.

ARTICLE 6 MANAGEMENT RIGHTS

Section 6.1

Except where such rights, powers, and authority are specifically relinquished, abridged or limited by the provisions of this Agreement, the Town has and will continue to retain, whether exercised or not, all of the rights, powers and authority heretofore had by it; and it shall have the sole and absolute right, responsibility and prerogative of management of the affairs of the Town and

direction of the working force.

Section 6.2

The First Selectman, or his/her designee, shall, on an annual basis, prepare a written evaluation of the performance of each member of the bargaining unit and shall inform each employee of the goals to be achieved and the time frame for achievement. The evaluation shall be placed in the employee's personnel file. Each employee shall have the opportunity to prepare a written response to the evaluation, and any such response shall be added to the employee's personnel file. Such evaluations shall be prepared on a standardized form.

ARTICLE 7 **CHANGE IN JOBS**

Section 7.1

If the Town makes substantial changes in an existing job or creates a new job with different skills and responsibilities from those set forth in the contract, e.g., where the needs of the Town or the use of new equipment or operations causes a significant change in the job that lasts for more than 3 months, then the rate of pay for the new job shall be temporarily set by the Town until the parties can negotiate a rate. The rate shall bear a proper relationship to the rate of pay of other jobs covered by this Agreement. If the parties cannot agree to a rate, the parties will submit the issue of setting the rate to arbitration.

ARTICLE 8 **CLASSIFICATION OF EMPLOYEES**

Section 8.1

Full-time employees are those employees whose schedule consists of at least thirty-five (35) hours per week.

Part-time employees are those employees whose schedule consists of at least twenty-five (25) and fewer than thirty-five (35) hours per week.

Part-time employees shall be eligible for and receive paid vacation and sick time on a pro-rata basis, as set forth in Articles 15 and 16.

Part-time employees who are regularly scheduled to work thirty (30) hours per week or more shall be eligible for Town-sponsored medical and dental insurance benefits for individuals only on the same basis as regular full-time employees.

ARTICLE 9
HOURS OF WORK

Section 9.1 - Town Hall

The scheduled hours of work for bargaining unit employees are attached as Appendix A. With respect to those employees who are exempt from state and federal minimum wage and overtime laws (hereinafter referred to as "exempt" employees), the schedules are minimum guidelines. Exempt employees shall be eligible for flex time or alternate hours in order to accommodate the business needs of the Town. The use of flex time or alternate hours must be approved, in advance, in writing, by the First Selectman or his/her designee.

It is within the Town's discretion to change work hours at any time for any legitimate purpose consistent with the business needs of the Town.

Section 9.2 - Town Hall

Full-time employees who are not exempt from state and federal minimum wage and overtime laws (hereinafter referred to as "non-exempt" employees) shall receive up to a one (1) hour lunch unpaid break, taken between noon and 2:00 p.m. Mon. through Thurs., and those non-exempt employees who work until 7:00 p.m. on Tuesday shall also receive a one-half (½) hour unpaid dinner break on Tuesdays, taken between 4:30 p.m. and 5:30 p.m. unless a different break schedule is set forth in Appendix A, or agreed to by the Union/employee and the Town. Part-time non-exempt employees shall receive a thirty (30) minute unpaid break for every seven and one-half (7½) consecutive hours worked.

Section 9.3 - Town Hall

Full-time non-exempt employees shall be entitled to two fifteen (15) minute paid breaks, one during the morning and one during the afternoon, subject to the needs of the Town.

Section 9.4 - Town Hall

The breaks set forth in Sections 9.2 and 9.3 above may not be taken back-to-back, may not be taken immediately before or immediately after the employee's lunch or dinner break, and may not be taken at the commencement or end of the day.

Section 9.5 - Public Works

The regular work week for the Public Works Department shall be between 12:01 a.m. Sunday and midnight Saturday consisting of thirty-five (35) to forty (40) hours per week for all full-time employees and twenty-five (25) to thirty-four (34) hours per week for all part-time employees. The schedule of hours of work for bargaining unit employees is attached in Appendix A. It is within the discretion of the Town to change work hours at any time for any employees for any legitimate purpose consistent with the business needs of the Town.

Section 9.6 - Break Periods (Public Works)

Non-exempt Public Works employees shall be given up to a forty-five (45) minute lunch break as close to 12:00 noon as practicable, and one fifteen (15) minute break in the morning as close to 9:00 a.m. as practicable.

Non-exempt Public Works employees will be paid for the fifteen (15) minute morning rest break. They will not be paid for thirty (30) minutes of the up to forty-five (45) minute lunch break. The time limitations for lunch and break periods set forth in this section include travel time and time required to pack up and secure any and all equipment at the work site if the employee leaves the work site. Employees are expected to adhere strictly to the time limitations for lunch and break periods and should use good judgment in determining whether they should bring a bag lunch to work and take their break at the work site rather than traveling to another location.

Section 9.7. - Meals During Overtime Work

If the Facilities and Grounds Foreman and/or Highway and Fleet Foreman (Public Works Supervisor) is required to and does report to work prior to his/her regular start time on his/her regular work day without advance notice, he/she will be entitled to two meals (breakfast and lunch) paid for by the Town. "Advance notice" means notice that is provided at least twelve (12) hours in advance of the altered start time.

- When the Facilities and Grounds Foreman and/or Highway and Fleet Foreman (Public Works Supervisor) is asked to and does work more than two (2) hours beyond his/her regular quitting time on a regular work day, he/she will be entitled to a meal (dinner) paid for by the Town.

These meals shall be at a restaurant of the Facilities and Grounds Foreman and/or Highway and Fleet Foreman's (Public Works Supervisor's) choosing provided that it is within a reasonable distance of the Facilities and Grounds Foreman and/or Highway and Fleet Foreman's (Public Works Supervisor's) location at that time. Breakfast and dinner meal periods are not work time and, as such no wages shall be paid for such periods unless the Facilities and Grounds Foreman and/or Highway and Fleet Foreman (Public Works Supervisor) is required to return to work

overtime afterwards, in which case the Facilities and Grounds Foreman and/or Highway and Fleet Foreman (Public Works Supervisor) will be paid for the meal period as if he/she was working. At no time will a lunch break be considered paid work time.

The Facilities and Grounds Foreman and/or Highway and Fleet Foreman (Public Works Supervisor) shall be entitled to take breakfast and dinner breaks at their reasonable discretion, subject to the business needs of the Town.

For each meal paid for by the Town in accordance with the language set forth herein, the employee shall receive the dollar figures set forth below for breakfast, lunch and/or dinner with the subsequent payroll check. The check for the applicable meal allowance(s) will be provided to the employee at the same time that the employee receives remuneration for all hours worked during such payroll period.

The following shall apply to the meals paid for by the Town pursuant to this section for the duration of this Agreement:

Breakfast - ten dollars (\$10.00);
Lunch - twelve dollars (\$12.00); and

The meal costs shall apply on a per meal basis.

The provisions set forth above regarding entitlement to a Town paid for meal does not apply to a call-in under Article 9, Section 9.8 that takes one (1) hour or less to perform, unless the call-in is contiguous to the employee's regular start time.

Section 9.8 - Call In Pay (Public Works)

Emergency Call-In

When a non-exempt (Public Works) employee is called-in to work by the First Selectman or his designee and required to report to work due to an emergency (i.e. – a fallen tree branch) either prior to or after his regular work shift, the employee shall receive remuneration from the time he received the call for the emergency assignment. Under such circumstances, he will be paid a minimum of one (1) hour of pay, provided, if the call-in is contiguous to the employee's regularly scheduled work day, he will receive pay for the actual additional time worked with no minimum guarantee from the time he received the emergency assignment.

The Town may recall an employee during the call-in period and it shall be considered the same call-in.

Snow Removal and Inclement Weather – No Advance Notice

When a non-exempt (Public Works) employee is called-in by the First Selectman or his designee and required to report to work due to snow removal/inclement weather (i.e. – plowing, salting or

sanding) either prior to or after his regular work shift and he was not advised in advance of the report in time, the employee shall receive remuneration from the time he/she received the call. Under such circumstances, he/she will be paid a minimum of one (1) hour of pay, provided, if the call-in is contiguous to the employee's regularly scheduled work day, he will receive pay for the actual additional time worked with no minimum guarantee for the assignment from the time he received the call.

The Town may recall an employee during the call-in period and it shall be considered the same call-in.

Advance Notice of a Different Reporting Time

When a non-exempt (Public Works) is advised in advance by the First Selectman or his designee to report to work at a different time than his normal reporting time, he will be paid from the time he reports to work. Under such circumstances, he will be paid a minimum of one (1) hour of pay, provided, if the call-in is contiguous to the employee's regularly scheduled work day, he will receive pay for the actual additional time worked with no minimum guarantee for the assignment.

An employee called in for work under the terms of this paragraph shall be considered to be acting in the course of his employment under the Connecticut Workers' Compensation Act, while on the way to work and returning from work (unless the employee is returning from work at the conclusion of his regular work hours), provided the travel to and from work is directly to the Town garage.

ARTICLE 10 **OVERTIME**

Section 10.1

The Town shall have the right to require overtime work in a manner most advantageous to the Town. Every effort shall be made to keep overtime at a minimum, consistent with the demands of public service.

Section 10.2 - Overtime Compensation

Hourly non-exempt employees shall be compensated at the overtime rate of time and one-half (1½) their normal hourly rate for hours worked in excess of forty (40) hours per week. However, the Town shall pay hourly non-exempt employees double time for any work on Sundays or observed (as opposed to actual) holidays. Unless Saturday is an employee's regularly scheduled work day, any work performed on Saturdays shall be paid at the time and one-half (1½) rate.

Exempt employees shall not be eligible for overtime.

ARTICLE 11
COMPENSATORY TIME

Except as set forth below, full-time non-exempt employees shall be allowed to accrue up to forty (40) hours of compensatory time in any given year in lieu of receiving overtime pay when overtime pay is otherwise earned. Compensatory time will be permitted, by agreement between the employee and the First Selectman, or his/her designee, at a rate of one and one-half hours of compensatory time, for each hour worked in excess of forty (40) hours per week (except for hours subject to double time). Non-exempt employees must elect annually, on or before December 1st whether they wish to receive compensatory time or be paid overtime pay for the following calendar year. The Town will provide a written form to each employee for purposes of making this election. Non-exempt employees may use compensatory time for additional time off within the calendar year it is earned, however, compensatory time may not be used on consecutive work days, to bookend weekends or holidays (meaning both the day before and after the same weekend/holiday) or in combination with other forms of paid time off. Where a non-exempt employee does not use time designated as compensatory time by the end of the calendar year in which it is earned, the Town shall pay the employee for such time during the first pay period of the next calendar year.

Should a non-exempt employee fail to make a designation, he/she will be paid overtime.

Upon a bargaining unit employee's eleven (11) year anniversary with the Town in a bargaining unit position covered by this Agreement, he/she shall no longer be eligible for compensatory time in lieu of overtime. Rather, he/she shall be paid overtime.

Employees hired in a bargaining unit position on or after July 1, 2018 shall not be eligible for compensatory time.

Exempt employees shall not be eligible for compensatory time.

Section 11.2

As in the case of any overtime work, no employee shall work extra hours for compensatory time without the prior authorization of the employee's supervisor. When the employee wants to use compensatory time as additional time off, the employee must seek approval from the employee's supervisor before scheduling the time off. Compensatory time may be taken in one (1) hour increments. Requests for use of compensatory time must be made in accordance with Article 16, Section 16.2. f.

ARTICLE 12
PAYROLL PERIOD

Section 12.1

The work week shall run from Sunday at 12:01 a.m., through midnight the next Saturday. The payroll period shall run from Sunday at 12:01 a.m. through midnight Saturday of the second week.

Employees will be paid on a biweekly basis. When the regular payday occurs on a holiday or any day celebrated as such, the Town shall pay the employees on the regular workday immediately preceding or immediately following the holiday.

All employees shall be paid via direct deposit. Accordingly, employees shall complete the necessary documentation requested by the Town in order for the Town to pay the employee via direct deposit.

Section 12.2

For purposes of earning or accruing paid time off, a "day" shall be calculated in accordance with the employee's normal work schedule, as follows: One "day" shall be equivalent to the total number of hours comprising the employee's work schedule in a normal work week, divided by five (5). This daily accrual shall be multiplied by the applicable earned benefit, and the total rounded to the nearest half hour.

ARTICLE 13 **PROBATIONARY PERIOD**

Section 13.1

No employee shall attain regular status or seniority rights under this Agreement until he/she has been employed continuously by the Town for a period of one hundred eighty (180) calendar days. During such period, he/she will be on probation and may be disciplined or terminated by the Town in its sole discretion for any reason whatsoever or no reason, and neither the employee nor the Union shall have recourse to the grievance and arbitration provisions of this Agreement. Upon successful completion of the probationary period, the employee's seniority shall date back to his/her original hire date. The probationary period for an employee may be extended by mutual agreement between the Town and the Union, which agreement shall not be unreasonably withheld.
