

# Town of Marlborough

We hope this informational sheet finds you well.

Please rest assured that the Town Hall, Emergency Management Department; Fire Department and Ambulance are operating normally. The **Town Hall** is locked, a doorbell is attached to the front door. It is recommended that you call ahead **860-295-6200** to see if they may be able to assist via phone or email first.

In the event that you should need to call 911 for a medical emergency please understand that both the questioning as well as the ambulance personnel has changed due to the current situation. The crews are well prepared and ready to respond as always. If you have any questions regarding **fire department** or **ambulance operations** please call **860-295-6219**. Leave a message and someone will get back to you. **In any emergency situation call 911.**

Here are some telephone numbers that may be helpful during this difficult time that we are all going to get through together. Try your best to not spend all your time watching the news. These numbers will give you facts.

**CDC Info line – 800-232-4636**

**State Info line – 2-1-1**

The following number will be in service by the middle of the week. It is a number designated for **Emergency Management**. Once you leave a message it will then automatically be transferred to someone in the emergency management department and the call will be returned. **860-365-3111.**
